## SOURCE:

1.

- a. In Panama City the JPR has 32 members, including active workers and sympathizers, all of whom except nine are secondary school students. However, JPR groups are functioning only in the Instituto Nacional and the Escuela de Artes y Oficios. The small amount of activity is due mainly to the lack of political capacity and organization on the part of the Executive Committee of the JPR. Because of this situation, the Executive Committee was reorganized several weeks ago, the members and their duties being:

Carlos DE DIEGO	- Secretary General
Juventino DE LEON	- Secretary of Organization
E. de la T.	- Secretary of Finance
O.R.	- Secretary of Propaganda
Jorge FERRERA	- Secretary of Acts & Relations

- b. The new Executive Committee has, without overcoming all the defects of the past, begun to work in a more orderly fashion. A short meeting is held each Tuesday, and a formal meeting each Friday. At the meeting of 14 November 1952 it was decided to dissolve the existing student chapters and to reorganize on a neighborhood basis. The work among the students will be carried on by the student faction of the Executive Committee.

2. After a discussion of the report, it was decided by the FDP that each FDP Regional Directorate will supervise the JPR in its region, since the JPR National Directorate had not been functioning on a nationwide basis. When the JPR is sufficiently organized to operate on a national basis, control will be assumed by the JPR National Directorate, working directly under the FDP National Directorate.
